During the August 25, 2026, Board of Directors regular board meeting and public hearing on the proposed fiscal year 2027 budget, information was provided regarding the taxpayer impact statement for tax year 2026. The impact statement included median-valued homestead property values for tax years 2025 and 2026 and corresponding dollar value of prior year property tax, estimated property tax included in the budget and estimated property tax at a no-new-revenue tax rate at those median-value homestead levels.

The budget included an estimated \$3,100,000 of tax year 2026 Ad Valorem, pending final tax rate approval. The Board of Directors was informed that final tax rate would be voted on during the September 22, 2026 public hearing.
